Dear Lilian,

Thank you for the information on your proposed Business Women Healing Ministry.

After speaking with you and reading your proposal, I am convinced that there are many women in this city and this country who are very much in need of healing in various ways.

I am happy to know that you want to conduct your ministry within the Catholic Church, following the teachings and practices of the Church, so that, united to the vine, it will be blessed by Our Lord and bear much fruit.

I am also happy to know that you are putting together a list of specialists in various fields to whom you can refer those who need specialist help.

I commend you and your work, and I pray that the ministry may prosper and help many women to find healing and come closer to Our Lord, who is the only one who can truly heal.

Yours sincerely in Christ,

Fr John Flader
